

DPD-3492-59

23 June 1959

MEMORANDUM FOR : Chief, Administrative Branch, DPD
SUBJECT : Reassignment within Department of State
Involving Messrs. Langley, Rountree and
Jones
REFERENCE : DPD-3433-59

1. The referenced memorandum describes changes to take place within the Department of State, involving Ambassador James H. Langley, Assistant Secretary Rountree, and Ambassador G. Lewis Jones.

2. In regard to your question as to whether Ambassador Langley should receive a formal debriefing on Project CHALICE, it is our opinion he should not. Anyone of Mr. Langley's stature is aware of his obligation to the U.S. Government as regards this type of information, and a formal debriefing would be superfluous and not completely protocol. We will take steps to terminate his clearance without this action.

3. Ambassador G. Lewis Jones, per your request, has been granted a Project CHALICE clearance. In the event you should decide to conduct the briefing of Mr. Jones personally, we will be happy to furnish you with the required briefing statement and agreement.
